

MAESTRO HEALTH MY BENEFITS™ WEB PORTAL.

The Maestro Health My Benefits™ web portal allows you to access and manage your benefits anytime, anywhere on your mobile phone, tablet or computer. After logging in, you will see the employee home page where you are able to view the following:

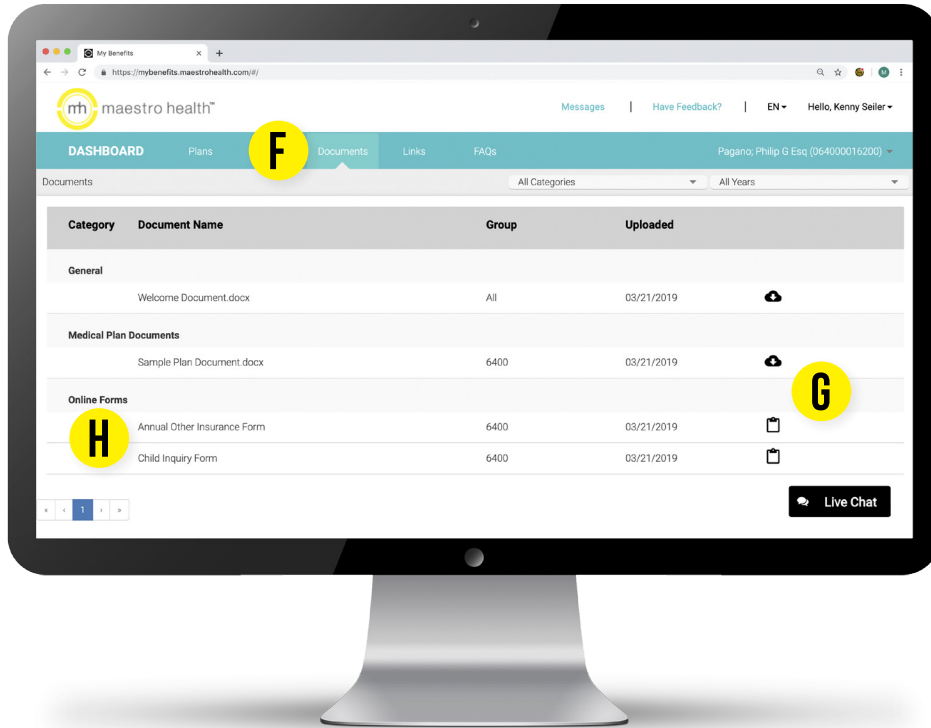

..... **A** **Medical expenses** indicate the amount you and your employer's health plan have paid so far in the current plan year.

B **Total out-of-pocket cost accumulators** include the amount you have paid for out-of-pocket expenses like deductibles, coinsurance, copayments, etc.

C **Request an ID card** from the drop-down menu under your profile. ID cards can either be downloaded as a PDF or mailed to you.

D **Plan benefits** show the benefit amounts you and your dependents have accumulated.

E **Recent claims listing** shows your five most recent claims. Click on a claim to view details.

F The document repository houses all available documents provided by your employer or Maestro Health.

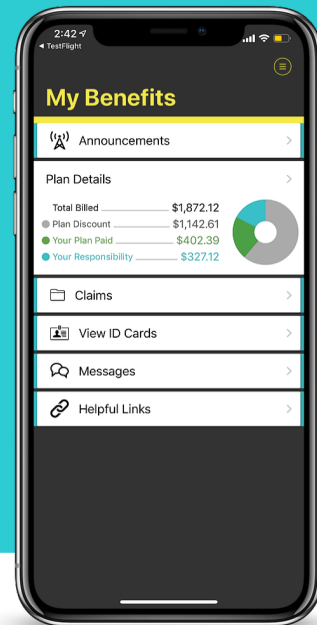

G Document types are represented by two icons:

- Cloud/arrow icons represent PDFs that can be downloaded
- Clipboard icons represent online forms, which can be filled out and completed online

H A Coordination of Benefits (aka, COB) Form may need to be filled out if you or your dependents have more than one health plan. This can include coverage from your spouse’s employer, an additional individual plan, Medicare or other insurance plans. Click the “Annual Other Insurance Form” link to access an online form to have us coordinate your multiple benefits plans for you.

The Maestro Health mBENEFITS™ mobile app.

Download the app from the Apple® App Store and Google Play™ Store. View balances, claim statuses, deductibles and more all through your mobile device.
